

Christmas 2015

Finding Him
Follow the stars,
Hear the angels,
Visit the Manger,
But today you'll find Him in human hearts
- F. Fullwood

A WORD FROM RUSS....

Are we "Human Beings" or "Human Doings"?

"Being" Present

How many of us are continually distracted every hour? From phone calls and notifications dee-dupes? From emails, text messages, Facebook, Twitter, Instagram, Pinterest, etc?

Jesus' "Presence" on earth made an impact. Our "Being" here in the moment, with our families or whoever we are with is all we have. Living in the past misses the moment, living in the future can cause stress of what needs to be done.

Instead of "Doing" all the stuff we have to do to try and enjoy Christmas, try just "Being" still, in the moment and reflect on how wonderful life is to observe, feel and "be" part of - consciously being present with our loved ones. "Be still and know I am God".

We thank God for the many moments He has touched the lives of those who have been still enough and realise how much they have grown in His qualities and virtues.

May we be ever present to the reason for the season. Wishing you and your loved ones a very special and meaningful Christmas.

RANDOM HACKS OF KINDNESS WEEKEND

Over a weekend in November, programmers and developers in the Brisbane area got together to donate their time for a good cause. They teamed up to work on solutions for some small not-for-profit groups as part of 'Random Hacks of Kindness' and VITAL ProJeX's team took the top prize! If you would like to see some photos, and a brief video to get a feel for what we got up to, log on to <https://www.facebook.com/chad.renando?fref=ts>.

Here talented volunteers (online developers) created a special "360 Online Values –Character Snapshot Survey" which all our trained facilitators & Chaplains in schools can use. The interactive survey will not only track the values growth progress of young people (for funding evidence) but will be a significant help to the young people themselves by being able to map their own growth in 12 Vices to Virtues.

We have a new Website!

Our new website is up and running and we are really happy with it! We hope you will like it too. If you have a moment next time you are online, drop in and pay us a visit at www.vitalprojex.com.

No Limits & Unlimited 2015

This year we (Debbie Grey-Chaplain, Tanya McKenna-Teacher, Sarah Rothery-former Chaplain and I) embarked on a journey with a new group of year 10 girls (and boys, facilitated by Catalyst Church's Youth Pastor Tim Cochran) at Ipswich State High School. They began in week one feeling unsure and reserved and by week 16 they finished as a group of close friends. In between, we all learned so much about ourselves and the unlimited potential we have as individuals and as a group. We are so proud of the achievements of each and every one of these remarkable young women and men!
